# MAKE IT STICK

5 Simple Ways You Can Make This Lesson Stick With your Kids

## Who God Made You To Be Lesson 5

### THIS WEEK'S LESSON: SKIP AD

#### IN THE CAR:

Ask your child what they learned about this week on the drive home:

The world says to do what makes you happy and try to skip over anything that might be unpleasant. But God says that sometimes we have to face difficult things. That is why it is so important to spend the time to build our faith foundation in Christ. If we only do things that are fun and easy when life is easy, then when hard times come we won't have prepared a strong foundation of faith to cling to. Luke 6:46-49, Wise and Foolish Builders

#### HANGING OUT:

Make this week's lesson real:

Take some time this week to read this story with your kids. Encourage them to read the Bible every day, and if they ask you to read with them - do it!

#### AT DINNER:

Here are some great discussion starters:

- What happened to the houses built by the wise and foolish builders?
- Why is it important that we grow our relationship with Jesus on good days as well as bad?
- What can we do to build our lives on Jesus?

#### AT BEDTIME:

Quiz your child on this week's memory verse:

*"We are God's creation. He created us to belong to Christ Jesus. Now we can do good works. Long ago God prepared these works for us to do." Ephesians 2:10 (NIRV)*

#### PARENT TIME:

What you need to know:

When we take time every day to read the Bible and pray, we will have the strength we need to withstand the storms of life. If you're not having a daily time with God, why not start the habit for yourself while encouraging your kids to do the same?
