## **Freed-Up Financial**

with Brian Krauss and John Mater

8:30 am on Sunday mornings beginning January 5th

This class provides a Biblical perspective of stewardship as well as skills to help you control your finances in a God honoring way.

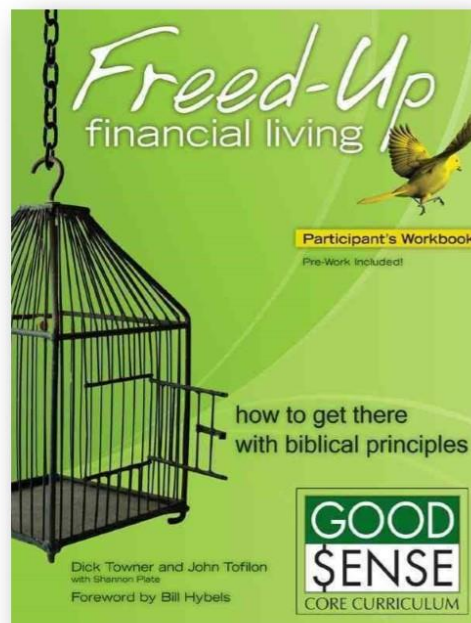

The book can be purchased online or in CJ's (\$10).

Child care is offered if you sign-up by December 29th and note that you need child care.

In Freed-Up you will find a refreshing new approach to stewardship that adapts and focuses on developing skills and discovering tools to help you control your finances so your finances don't end up controlling you. In the class you will prioritize your financial goals, identify steps to reduce your expenses, develop a personalized spending plan, and pay down your debt!

Who should take it: It is a good class for any Christian who wants to honor God with healthy financial practices and teach their children to do likewise. For married couples it is strongly advised that you take the class together, as these decisions are made and upheld together for the good of the whole family.

Class materials: The **FREED-UP FINANCIAL LIVING** participant's workbook can be purchased online or in CJs.

## **Foundations 1**

with David Smith

Sundays at 9:00 am beginning January 5th

This class takes you deeper into the basic doctrines of the Bible.

The book will be available in CJ's soon.

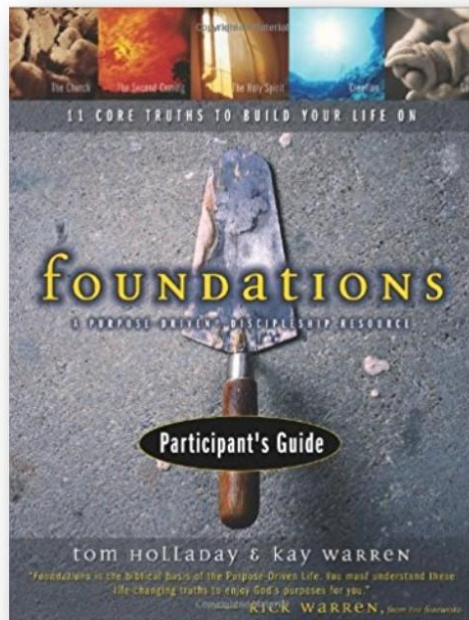

Child care is offered if you sign-up by December 29th and note that you need child care.

Many Christians today live their lives, plan their schedules, and use their resources completely disconnected from what they say they believe. This spiritual disconnect is the cause of so much of the stress and problems in our lives. Foundations is a fresh, innovative curriculum about the essential truths of the Christian faith and how these truths are to be lived out--in your relationships, your character, and your work. Rather than just teaching doctrinal knowledge, this course shows you how to apply biblical truths and implement them in your every-day life.

Materials: *FOUNDATIONS*  
Participant's Guide can be purchased online or in CJs

Who this class is for: This series of classes is well suited to that Christian who is getting established in their faith and is ready to learn basic Bible doctrines (i.e. the Bible, the Trinity, Creation, etc.) and use that knowledge in everyday life.

This class uses one manual for all 3 terms.

## **Get Out of the Boat 1**

with Aaron Smith

Monday evenings 6:30-7:30 pm beginning January 6th.

This class will help you to respond to God's call to live with greater faith.

The book can be purchased online or in CJ's (\$12).

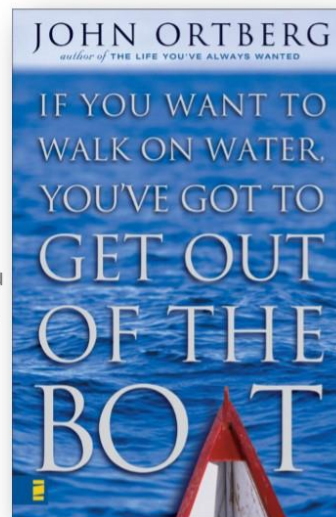

Peter walked on water in response to the Lord's call. What is God asking you to do—that seems impossible? Do you desire to “walk on water,” or are you satisfied “dwelling in caves,” and “hugging onto the boat?”

In this class you'll learn to trust God as you move toward greater faith. The class will use video clips, group discussion and practical teaching to help you discover God's call, transcend fear, risk faith, manage failure, and trust God as you live life differently. Walking on water means ...

- Facing your fears and choosing NOT to let fear have the last word.
- Discovering and embracing the unique calling of God on your life.
- Experiencing the power of God to accomplish what you would not be capable of doing on your own.

This class is best for every that wants to work at their relationships—marriage and beyond and will give practical skills to take the love you already have to a deeper and more meaningful level.

Materials: *IF YOU WANT TO WALK ON WATER YOU'VE GOT TO GET OUT OF THE BOAT* can be purchased online or in CJs.
