

Wood Cutting Opportunities at Grace

As part of the property maintenance at Grace Church, we have wood that needs to be cut on the back property. We've set aside each Saturday in February from 9:00 am to 12:00 pm to cut and stack wood. Bring a chain saw if you have one as well as work gloves. Contact Ryan Hickey if you have questions or if you are in need of wood - 517-852-4800 / ryan@gc3.org

WOOD CUTTING
